Hand-in-Hand With Our Autumn Sale to Start the Season Comes Our Official Fall Opening

Kann's Now Formally Present the New Millinery Modes for Autumn

It is the Official Display for Which All Washington Has Been Waiting

—Stunning in its mirroring of the courtliness of medieval grandeur from which the styles for autumn have been taken.
—Beautiful in its rich assemblage of colors which further carry out the fashion note of the new styles.
—Fabrics that cannot even be expressed with the word gorgeous. Gold, silver, metals, spangles, furs, velvets, etc., are all to be seen.
—Large Hats, small Hats, medium size Hats—elaborately trimmed

Hats, and simplicity Hats for the conservative woman, and, in between will be seen Hats becoming for every type of beauty.

—Colors—TAUPE first, because so scarce; then come burgundy shades, two-tone combinations, browns, blues and black.
—ACCEPT THIS AS A PERSONAL INVITATION TO YOU TO VIEW THE NEW STYLES IN THEIR COMPLETENESS TOMORROW.

Model Hats, \$25.00 to \$55.00 Dress Hats, \$10.00 to \$18.50 Street Hats, \$5.00 and \$7.50
